1. Scope of Supply

1.1. The Supplier agrees to provide lighting fixtures as specified in the purchase order or contract without installation services.

1.2. The fixtures will be delivered as per the specifications outlined in the attached proposal or product documentation.

2. Delivery Terms

2.1. Delivery shall be arranged by the buyer & made to the location specified in the purchase order.

2.2. The Supplier will inform the Buyer of the estimated delivery date.

3. Payment Terms

3.1. Payment shall be made as per the agreed payment schedule outlined in the contract or invoice.

4. Warranty

4.1. Warranty varies between items and brands. It will be based on brand and item specs and features

4.2. The warranty does not cover damage caused by misuse, improper handling, or modifications made by the Buyer.

5. Returns and Exchanges

5.1. Returns or fixtures exchange are subject to The Supplier's prior written approval.

5.2. Fixtures must be returned in their original packaging and in resalable condition.

5.3. The Buyer is responsible for any return shipping costs.

6. Inspection and Acceptance

6.1. The Buyer shall inspect the fixtures upon delivery and notify the Supplier of any defects or discrepancies within 2 days.

6.2. Failure to notify the Supplier within the specified period will constitute acceptance of the fixtures.

7. Limitation of Liability

7.1. The Supplier is not liable for any incidental, or consequential damages.

8. Force Majeure

8.1. The Supplier is not liable for any failure to perform its obligations under this agreement due to events beyond its reasonable control, including but not limited to natural disasters, acts of government, or labor disputes.

9. Governing Law

9.1. This agreement shall be governed by and construed in accordance with the laws of the Kingdom of Saudi Arabia

10. Amendments

10.1. Any amendments or modifications to these terms must be made in writing and signed/approved by authorized

representatives of both parties.

11. Dispute Resolution

11.1. Any disputes arising from this agreement shall be resolved through (mediation/arbitration/court in KSA), as agreed by both parties.

12. Confidentiality

12.1. Both parties agree to keep any proprietary information confidential and not disclose it to any third parties without prior written consent.

13. Validity of this quotation

13.1.The validity of this quotation is 4 weeks from the issuing date.

Scope of Work Exclusions

The scope of work for the supply of lighting fixtures does not include the following

1. Installation Services

1.1. The Supplier is not responsible for the installation, mounting, or fitting of the lighting fixtures. Installation services, if required, must be arranged separately by the Buyer.

2. Electrical Work

2.1. Any electrical work, including wiring, connections, or integration with existing electrical systems, is not included. The Buyer is responsible for ensuring proper electrical setup and compliance with local regulations.

3. Site Preparation

3.1. Preparation of the site, including any structural modifications, mounting surfaces, or environment adjustments necessary for the installation of the fixtures, is not.

4. Permits and Approvals

4.1. Obtaining any necessary permits, licenses, or approvals required for the installation or operation of the lighting fixtures is the responsibility of the Buyer.

5. Maintenance and Repairs

5.1. Ongoing maintenance, repairs, or servicing of the fixtures after delivery is not included. The Buyer isresponsible for maintaining and repairing the fixtures as needed, if it is not covered by the warrantee terms.

6. Removal of Existing Fixtures

6.1. The removal or disposal of any existing fixtures or equipment is not included. The Buyer must handle the removal and disposal of any pre-existing fixtures.

7. Transportation Costs Beyond Delivery

7.1. Any costs associated with transportation, handling, or shipping of fixtures beyond the initial delivery point are not covered.

8. Damage During Installation

8.1. The Supplier is not liable for any damage caused during the installation or handling of the fixtures once delivered.

9. Training on Use and Maintenance

9.1. Training on the operation, use, or maintenance of the fixtures is not included. The Buyer is responsible for acquiring or providing any necessary training.

10. Customization or Modifications

10.1. Any customization, modifications, or alterations to the fixtures after delivery are not included. The fixtures will be supplied as per the specifications outlined in the project
